

Contract Violations and Administrative Review

Students with continuing attendance and/or discipline problems will be in violation of the VMA Student Contract, which results in probation and/or possible dismissal. Students and/or parents who violate the Student or Parent Contract may be placed on probation and/or dismissed from VMA.

Parent Disputes

Objections to an administrative procedure or practice, board policy or decision may be addressed in the following way:

Make your concern known to the school Principal Dr. Gehndyu at Janjay.gehndyu@vmacademy.org or (941) 758-7588 x 8883. The Principal will work with you to find the resolution that is in the best interest of all parties and will communicate progress with you periodically.

If your dispute still exists after speaking with the principal you may contact the parent representative for the board: Mrs. Dilcia Navarro at DNavarro@vmacademy.org or (941) 758-7588.

If your dispute is unsettled please contact the board chair Naiema Frieson at board@vmacademy.org or (941) 758-7588. Parents are encouraged to attend all board meetings the 1st Wednesday of every month. If guests wish to speak, they must sign up for the three minute open forum at the end.
